PIVOT DOORS, BIFOLD DOORS & CUSTOM JOINERY DOORS

**DG014**

## **DG014** Entrance Door

Where the traditional 4 panel look is desired but blocks too much light, the DG014 is the answer.

With both top panels replaced with glass, a more decorative look can be achieved along with increased light transmission.

Also impressive as a single door with matching sidelights.

### **Glazing Options**

Clear, Tinted, Obscure  
Other types available on request.

### **Available Sizes**
